Room Darkening Shades

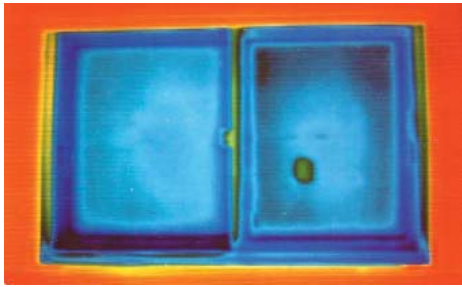

Skylight Shades

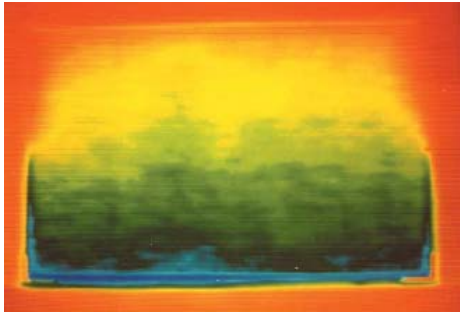

Child Safe Cordless Shades

Winter or Summer  
you'll notice a difference!

Uncovered Window

Window with EcoSmart Shade

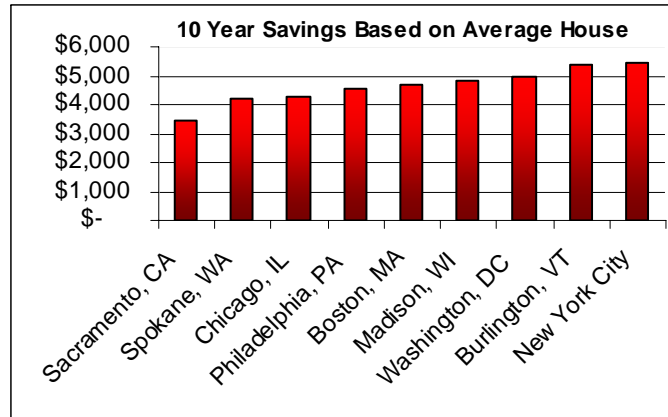

The blue color in the first photo indicates cold air being conducted through the glass on a winter day.

In the second photo, EcoSmart Double Cellular Shade with Side Tracks has been added to cover the window. The coldest blue areas have been eliminated with the cold air (blue) trapped at the bottom between the shade and window.

## EcoSmart Insulating Shades™

These shades will pay for themselves!

City	10 yr Saving/ house
New York City	\$ 5,414
Burlington, VT	\$ 5,403
Washington, DC	\$ 4,956
Madison, WI	\$ 4,855
Boston, MA	\$ 4,674
Philadelphia, PA	\$ 4,544
Chicago, IL	\$ 4,259
Spokane, WA	\$ 4,221
Sacramento, CA	\$ 3,467

Savings based on an average 2000 sq ft house with 300 sq ft of glazing. Actual energy savings will vary based on heating systems used, operation of window shade and other factors.
